

NEW RANGE OF LOW COUNTERS

PROXIMA SLIM

— HIGHLY CONVENIENT SELF-SERVICE —

NEW

The counters are dedicated mainly to large-area chain stores, but also due to the variety of design variants they are ideal for places with scarce display space, such as alleys in shopping malls (as sales islands) or smaller sales areas (petrol stations, convenience stores).

 **IGLOO**
MORE THAN COOLING

PROXIMA SLIM characteristics:

Large exposition spaces for goods, capacious shelves, wide range of colours.

Types: self-service, open, semi-open

Versions: cooling, heating (heating mats)

Temperature range: cooling 2-8°C, heating 30-60°C

Setup: standalone modules, island or in-row

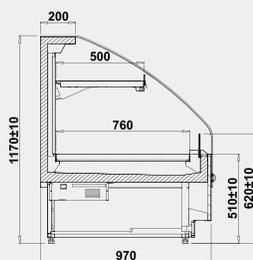

Height: 1.2 m – thanks to this solution, customers can see exactly what the staff is preparing for them

AVAILABLE LENGTHS OF PROXIMA SLIM:

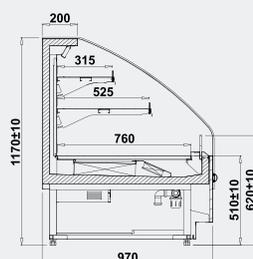

NEW

PROXIMA SLIM 1.88 HOT OPEN

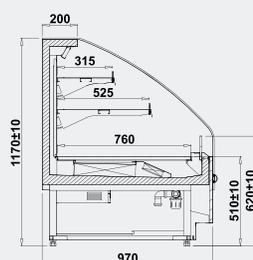

NEW

PROXIMA SLIM 1.88 OPEN

NEW

PROXIMA SLIM 2.50 OPEN

The new range is an extension of the existing PROXIMA line.

PROXIMA SLIM, as a complement to the whole range, is aesthetically coherent with all PROXIMA counters
